

The Farm

My class will be going on a field trip to a farm. I will get on the bus and sit in my

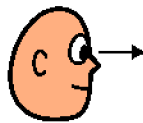

seat.

I

will get to

see

the

calves

and where the cows

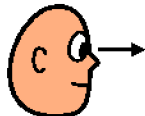

eat.

I might get to see a

tractor

and the mixer that the food is made in. I will see where the cows are milked and where the milk

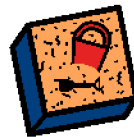

eat

a

snack

and play in a

sandbox.

When we are

finished

I will get back on the

bus

and go back to

school.
