

# Pumpkin Patch

I will walk to the bus and sit in my seat to go  
to the pumpkin patch. When I get to the  
pumpkin patch, I will stay with my class for  
the scavenger hunt, scarecrow walk, and a hay  
ride. When my teacher tells my class it is time  
to play, I can choose what activities I want  
to do. There is a swing set, sandbox, toy car  
track, and so much more! It will be fun to play  
at the pumpkin patch. When it is time to go,  
I will follow my class to the bus. I will get  
on the bus and ride back to school.
