

Going to Wisconsin Dells

Our class will be going to the Wisconsin Dells. We will take a long

bus ride. I will sit in my bus seat. When we get there,

our group will ride on the Ducks. Our group will also go to Robot World.

At lunch time we will eat a picnic lunch. If it is raining, we will eat

on the bus. There might be other changes. These changes will be ok and I

should stay calm. I need to stay with my teacher and group for the entire day.

This will be a fun day.
