

# Track and Field Day.

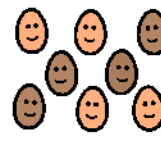

We will go to Track and Field Day at the

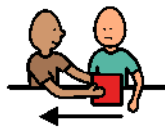

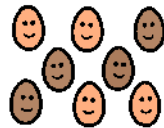

High School. We will sit on the bleachers and listen

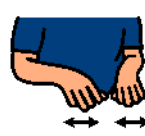

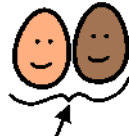

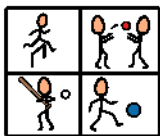

to the directions. We do this to exercise, work together,

and learn how to compete. Some people win and

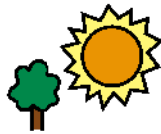

some people lose. Everyone will take turns participating

in the activities. When we are done with the events at the

High School, there is an awards program in the gym at our

school. This will be a fun day.
